# chassis packs standard

*Highlights  
clever  
combined*

## STANDARD CHASSIS FOR YUCON

- 114 HP, Arctic white, Keyless Start, semi-automatic air conditioning TEMPMATIK, ECO start/stop function, cruise control with multi function buttons on steering wheel, 6-speed manual transmission.

**FRANKIA recommends for this chassis pack to order the charging booster.**

## YUCON CHASSIS PACK INKL

- automatic gearbox 170 HP, Keyless Start, semi-automatic air conditioning TEMPMATIK, ECO start/stop function, cruise control with multi function buttons on steering wheel, automatic transmission, insulated cabin doors, Mercedes noise insulation on engine compartment and unterbody panelling, electric parking brake, MBUX\* 7 inch (without navigation), diesel tank 93 l, electric sliding door assistant, rear view camera, radiator grill in car colour, flap lid on storage compartment

## ALL-WHEEL-DRIVE (YUCON)

- Torque on demand - approx. 110 mm higher vehicle level on front axle, approx. 90 mm higher vehicle level on rear axle, accordingly steeper ramp and slope angles, higher fording depth, position of lighting functions changed according to vehicle level, rear fog lamp integrated in rear bumper (fog lamp integrated in tail light without function), side indicator lights in the front (instead of integrated in exterior mirrors).

**Please note: If this option is selected, the standard alternator is replaced by the 200 Ah version. 17 Inch alloy wheels not possible!**

## TOP CHASSIS PACK YUCON 4X4

- 190 HP, Keyless Start, semi-automatic air conditioning TEMPMATIK, ECO start/stop function, cruise control with multi function buttons on steering wheel, automatic transmission, insulated cabin doors, Mercedes noise insulation on engine compartment and unterbody panelling, electric parking brake, MBUX\* 7 inch (without navigation), diesel tank 93 l, electric sliding door assistant, rear view camera, radiator grill chrome finish, flap lid on storage compartment, 16 inch Mercedes original alloy wheels (silver)

\* Please note when planning your route: The navigation system does not account for specific vehicle weights and vehicle dimensions, meaning you may not be able to travel the proposed routes with your vehicle.
